Quantity: 1.00

Cultural Association:

Maker:

Production Place:

Description:

Artist: George Enslin (South African, 1919-1972) Subject: still life protea flowers Signed: George Enslin '62 (lower right)

Provenance:

a) Age of the object - around 59 years
b) Date when the object first entered South Africa - it is assumed that the object was painted in South Africa
c) Information surrounding the history of the object and the circumstances by which it was created, kept or imported into South Africa - unknown
d) Information about previous owners of the object, and how the object came into the possession of the current owner - the applicant acquired the painting through an online auction conducted by a well known art auction house in South Africa. The provenance of this painting was not provided by the auction house, i.e. the applicant does not have any information about the painting's provenance.
